

Agenda for the general spring 2014 meeting of the Snaresbrook Prep PTA.

Time and date: 8PM, 14th January 2014

Venue: The School

1. Welcome
2. Update on the Christmas party – please bring receipts or let us know of any claims outstanding.
3. A new constitution
We will vote for a new constitution. The old constitution is from 1984 and is arguably out of date: It states that teachers can vote at PTA meetings, that there should be 12 official PTA representatives; and the objective is to advance the children's education, which may not be what a school fete is about. To bring the constitution in line with the workings of the PTA as it is:
 - a) It is suggested that we change our objective to be about the children's enjoyment of school life and clearly state that the association should not be funding school essentials.
 - b) It is suggested that we change from a PTA to a PA and give Mr Curl and Mrs Higgins observer status.
 - c) It is suggested that we keep management to Secretary, Treasurer and Chair. All parents and guardians of children at the school will remain born members of the association and can participate in the activities and meetings as they please.
 - d) It is suggested that there will be a chance for every member to vote online every time significant sums of money is about to be allocated to the school from the PTA.

Those not present at the meeting will be able to vote online throughout the 14th January.
